

DEPARTMENT OF COMPUTER SCIENCE WITH ARTIFICIAL INTELLIGENCE
Tech Neuro Club

PROMPT TO PRODUCT
Think. Prompt. Build. Impact.

RULES & REGULATIONS

1. Eligibility & Team Formation

- Each team shall consist of **2 students**.
- Only **one team per department** is permitted.

2. Duration

- The total duration of the competition is **1 hour (60 minutes)**.
- All development and submission activities must be completed within the allotted time.

3. Theme & Objective

- The **title/theme of the competition will be announced by the organizers** at the beginning of the event.
- Participants must develop a website based on the **announced theme**, addressing a relevant social cause or real-world social problem.
- The website should demonstrate **creativity, innovation, and practical social impact**.

4. Development Tools

- Participants must use **Low-Code/No-Code platforms** for website development.
- AI-assisted tools are permitted.

5. Prompt Documentation

- Each team must record the **prompts used during the development process**.
- The prompt record must be submitted as a **Microsoft Word (.doc/.docx) file** along with the final website.
- Failure to submit the prompt document may result in **disqualification**.

6. Originality

- All submissions must be original work created during the competition.
- **Pre-built projects, copied websites, and plagiarism are strictly prohibited.**

7. Submission & Presentation

- Teams must submit a **working website** before the deadline.
- Each team must briefly present and demonstrate their final product to the judges

8. Evaluation Criteria

Projects will be evaluated based on:

- **Innovation & Creativity**
- **Functionality**
- **UI/UX & Design**
- **Effective Use of AI/Low-Code/No-Code Tools**
- **Presentation & Overall Quality**

9. Judging & Winner Selection

- The **judging panel's decision shall be final and binding.**
- The team achieving the highest overall evaluation will be declared the **winner.**

10. Disqualification

A team may be disqualified for:

- Plagiarism or copying.
- Using pre-developed projects.
- Violation of the competition rules.
- Failure to submit the required prompt documentation.
- Any form of unfair practice.
